YEAR 7 CADET CAMP

On Wednesday 15th May, the excited year 7 cadets gathered in the school car park, complete with their tents and sleeping bags, ready to embark on a 3 day adventure to Scouts WA Campground in Vasse.

Cadets discovered Boranup Forest, Jewel Cave, the Leeuwin Lighthouse and much more. A massive thank you to Mrs Amanda and Mr Chris Trevenen for a great camp!

Lake Grace District High School

Message from the Principal: **Kerriane Mills**

Hello LGDHS Community,

We are fast approaching the month of June and half way through Term 2. Where has this term and in fact the year gone, way too quickly, is my only reflection. There is a lot going on for our students with the Year 8-10's attending Cadet Camp this week. The weather does not look to be in their favour this week, despite all the crops that are desperate for a drink!

Don't forget Thursday next week is MSP School Photo Day, so if you are wanting to get family photos done, make sure you enquire at the office.

Next Friday, our faction cross country is in the afternoon, it has been wonderful seeing all students participating and practising their long distance running. If you are able to volunteer on the day, please get in touch with the office. The Interschool Cross Country Carnival will be held in Kojonup, the following Friday.

Next Monday is WA Day and Tuesday is a student development day, so there is no school for students until Wednesday 5th June for the downward trek towards the end of term.

Our next assembly is in week 10, Thursday 20th June which is hosted by the Year 6 class followed by their open classroom, I look forward to seeing many parents buzzing through the classroom viewing all the hard work their children have completed.

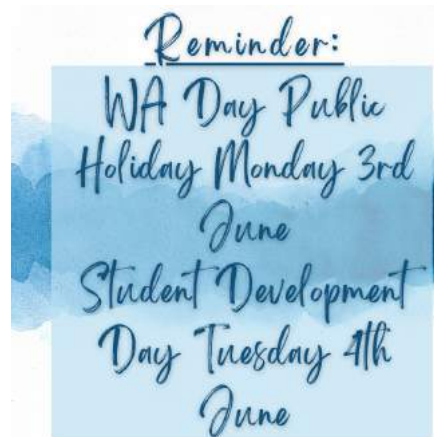

Also in week 10, the Year 10 students will have their work placement. Each have chosen their suitable businesses to learn new skills and get a taste of adulthood.

We have had a few cases of hand foot and mouth in the community, if your child is feeling unwell please make sure to read the information from the child health nurse regarding this. Please keep your child/ren home if they are unwell, no matter the cause, to avoid the spreading of viruses and germs.

As we are awaiting for our delivery date for the new transportable we are busy organising staff. We would like to advise that Mrs Sharon Robinson will be the Kindy teacher Tuesday, Thursday & Friday with Mrs Di Garard still working in both Kindy and Pre-primary on Thursdays and Fridays. Mrs Amanda Desmond will be joining us as the Pre-primary teacher starting Term 3 for the rest of the year. We look forward to welcoming our new teacher and enjoying the new building.

Have a restful long weekend and keep cosy and warm.

Kind Regards
Kerriane Mills | Principal

A Peek into Year 6 with Miss Corps

A Peek in to Year 6 with Miss Corps

This term in Year 6 art, students have been studying Bernadette Twomey's abstract botanical artworks. They have identified colour palettes and the variety of shapes and details used to inspire their own works filled with flowers, leaves, and plants, as well as small details in the negative space. Students have used these visual conventions and visual arts practices to express their own ideas, themes, and concepts in their artworks.

During art lessons, students explored how ideas are expressed in artworks from different contemporary, historical, and cultural contexts. They have compared Twomey's work, a 21st-century Australian botanical artist, with that of Ellis Rowan, a 20th-century Australian botanical illustrator. This comparison has helped students learn and identify the different historical contexts and ideas of each artist.

Similarly, in History this term, we are comparing the daily lives of individuals in the 20th century to those in the 21st century. Students have completed a T-chart in pairs to show their understanding.

Breakfast Club is open to all students each Tuesday and Thursday at 8.30am in the Home Ec. Room.

NEWSLETTER #8

Lake Grace District High School

Message from P&C President: **Nikki Lewis**

Dear Lake Grace Community,

Since the last newsletter the Lake Grace P&C have looked into sourcing an alternative jumper for high school students.

The proposed black polar fleece jumper has been approved by the school board and will be added to the uniform policy for high school students to wear.

If your child is wanting to order a jumper please submit an order via the FlexiSchools App by Friday 8 June and you will be notified as soon as the order has arrived.

They are the same as the current blue polar fleece jackets which are part of the school uniform just in black.

If you have any questions or queries please contact Debb Carruthers.

Canteen Update

Please be aware there will be no canteen on Monday 17 June. Canteen will be open on Tuesday 18 June and the Home Ec class will be responsible for preparing orders on that day.

This special service day will be set up on FlexiSchools soon to allow orders to be placed.

Sock fundraiser update

Thank you to all who have supported the sock fundraiser run over the month of May, we hope you are enjoying your colourful and fun socks.

When final orders have been received and tallied we will provide an update on how much has been raised.

Thank you to Sarah Clarke for organising and setting up this fundraiser.

Best wishes,

Nikki Lewis | P&C President

Technology Time in Year 1

The Year 1's have been busily writing their Information reports about Jellyfish. Some of the beautiful Year 8 students came to assist the Year 1's with typing their information report. This was the first time the Year 1's have had a go at typing in a word document.

A massive thank you to the amazing and patient year 8's. The year 1's really loved having them help.

Thank you Paige, Angelica, Zahli'a, Kyle, Rebekah, Bella and Summer.

Message from the School Nurse: **Laura Ballard**

Hand, Foot and Mouth Disease

This is a common, acute, viral infection. Symptoms include fever, sore throat, blisters in the mouth and on the hands and feet. There is no specific treatment for hand, foot and mouth disease, only treatment to relieve symptoms, with use of paracetamol or ibuprofen. It mainly affects children under the age of 10 but can also affect adolescents. It spreads easily from one person to another via airborne or droplet contact with infected person; via direct or indirect contact with the fluid from blisters; or via contact with infected persons faeces.

Symptoms usually last 3-7 days but a person will remain infectious as long as there is **fluid in the blisters**. Therefore, should remain home from school until **all blisters have formed crusts that are dry**.

To minimise the spread of Hand, foot and mouth;

Wash hands thoroughly, specially after using the toilet or assisting children in the toilet.

Make sure your child isn't sharing drink bottles, cutlery, towels, toothbrushes or clothing.

Keep your child home until all the fluid in their blisters have dried.
