# COMMUNITY CULTURE ONLINE SURVEY

LGDHS have been fortunate to be selected to take part in the Leading Cultures of Teaching Excellence Program. This program is developed over a 2 year timeframe and is structured over a 3 tier support system.

It looks at the teaching and learning taking place in our school and provides principals with an understanding of:

- the critical elements of a high performance and development culture
- how to design and lead a culture of teaching excellence in their school
- how to measure their school's culture
- how to plan to improve and enhance their culture
- how to lead school improvements to maximise the impact of quality teaching on student achievement and progress.

Principals will also receive coaching support from a collegiate principal or principal advisor to:

- develop a compelling vision for change
- strengthen their ability to create a school culture that supports:
  - learning
  - good relationships
  - feedback
  - reflection
  - collaboration
  - trust.

Tier 2 supports the school's instructional leadership team to lead a high performance and development culture within their teams.

Tier 3 supports teachers to strengthen their capability to deliver high-impact teaching strategies in the classroom.

Part of the schools obligation is to commit to completing the School Culture Survey prior to the start of the program. All staff and students from years 4 - 12 are also asked to complete relevant surveys. I would greatly appreciate your participation in this by next Friday 14th June. With your input we can commence a journey of growth together to help make LGDHS the best school it can be.

**Thank you in advance.**

The P&C have agreed to purchase four new arts smock stands for the K/ PP classrooms.

A massive thank you to the members of the Lake Grace Men's shed for offering to make these art smock stands.

#### Uniform update

A reminder that high school parents wanting to order a black polar fleece jumper for students should place your orders via Flexischools app ASAP if you haven't done so already. Debb will be placing an order for these very soon.

We also continue to look into what options are available for a primary school wind breaker jacket.

#### Canteen Update

Please be aware there will be **no** canteen on Monday 17th June.

Canteen will be open on Tuesday 18th June and the Home Ec. class will be responsible for preparing orders on that day.

The menu will be set up in Flexischools as usual for orders to be placed by 8:30am cut off Tuesday and the Year 9 Home Ec. students along with their teachers and a few parent volunteers will be in the canteen preparing and packing lunches.

### Message from the Chaplain: **Brodie Simmons**

Hello everyone,  
Here's a note on Chaplains before we finish the term.

Chaplains aim to be a positive influence in the school and help wherever needed. They care about the social, emotional, mental and spiritual wellbeing of students, families, staff and the whole school community. We walk with people to support, empower and encourage them to be the best they can be, and to live happy and healthy lives. Chaplains also assist in accessing a wide range of services.

Most interactions Chaplains have with students are classroom/playground based and very casual. I help sort disputes, listen, comfort as needed and befriend them. Sometimes a student is sent to the Chaplain's office for some time out where we play games and chat until they're ready to head back to class. If a student is having a difficult time at school, they can initiate a request to meet with me one-on-one or a caregiver may ask me to do this.

The school provides Chaplaincy as an 'opt out' service - you always have the right to 'opt out' of Chaplaincy interactions. If you wish to opt out for your child/ren, please inform the school. If you choose to opt in, parents and school leadership will be informed if any concerns arise.

I am also available to chat with you about your child or any other issues, or to request for me to meet with your child. To make an appointment or to opt out, please contact the school on 9865 4500. All discussions are confidential and are carried out with a professional and nonjudgmental approach. I am here to support you and your family, so let me know how I can assist you.

On a personal note, I'll be heading to Canada in Week 11 and returning in Week 3 of Term 3. Take care everyone, stay safe and I look forward to seeing you again soon.

Best wishes,  
**Brodie Simmons** | Chaplain
